REF: SECSTATE 127683

(U) On July 14, we delivered reftel points to the Chief of the Commodity Section Kozak at the Ministry of Agriculture. Kozak was designated by both the Ministry of Agriculture and the Ministry of Trade and Industry as the primary point of contact for the wine negotiations. Kozak stated that the Czechs have already contributed their comments to the agreement and expressed agreement with the current wording of the document. They expect it will be signed in early fall following the summer break.
